

Thermi Announces Settlement of Patent Infringement Litigation with Viveve

ThermiGen, LLC., an Almirall S.A. (ALM) company, today announced that it has reached a settlement with Viveve Medical, Inc. to resolve the patent litigation that was filed in 2016 against ThermiGen, LLC, ThermiAesthetics, LLC, and Dr. Red Alinsod in the U.S. District Court for the Eastern District of Texas citing infringement of Viveve's intellectual property (*Viveve, Inc. v. ThermiGen, LLC, No.2:16-1189*). Under the settlement, Viveve will receive a monetary consideration and on-going royalties. Thermi will receive non-exclusive licenses to Viveve IP as well as other mutual agreements relating to certain intellectual property owned by the companies.

"We are pleased to come to a mutual agreement with Viveve and conclude this matter," said Vladimir Paul-Blanc, President and General Manager of Thermi. "We will continue our strategy of focusing on our core temperature-controlled energy delivery platform and building on the worldwide success of all Thermi applications, including ThermiVA[®] in the women's intimate health market. We congratulate and commend Dr. Red Alinsod's contribution to ThermiVA[®] and look forward to continuing to work closely with him on future innovations in women's intimate health."

About Thermi

Thermi, an Almirall Company, is a leading global manufacturer of temperature controlled radiofrequency technology. The company's flagship product is ThermiRF[®], a platform technology that uses temperature as an endpoint for various minimally and non-invasive applications (ThermiTight[®], ThermiRase[®], ThermiSmooth[®] Face, ThermiVa[®], etc.). Thermi also offers the Thermi250[™] device as the newest innovative RF for body. Founded in 2012, Thermi is a US based company with its headquarters in Irving, Texas and R&D in Boston, MA.
